5. The following information was extracted from a dispatch from Chief, FDM to Chief of Station, Vienna, dated 14 February 1949:

"...We have been informed by a source believed reliable that Professor Vladimir PETROVICI, formerly of the Faculty of Law, University of Bucharest, escaped clandestinely to Austria in December 1948. He was taken in hand by the Salzburg office of CAROMAN, the Rumanian relief organization which has headquarters in Paris. CAROMAN in Salzburg reported to the Paris headquarters that PETROVICI is an Iron Guardist and that the Iron Guard wishes to keep him under cover in Salzburg to work for MAILAT and other Guardists 'who are compromised'..." [200-7-34-12 (MAVW-955)].

6. A report on the activities of [] dated 7 January 1952, was forwarded to Chief, FDM from Chief of Station, Karlsruhe. The report indicated that the Legionnaires, through Vasile MAILAT and BARBULESCU, were using blackmail against [] concerning the publication of the Vestitorul. It was also indicated that the Legionnaires had published three issues of the Vestitorul without [] participation. [62-6-2-344 (MIMA-8070)]; Source: [] Evaluation: Not given/.

7. In a report from Chief of Station, Karlsruhe to Chief, FDM, dated 12 October 1950, it was indicated that one AUNER, fnu was a ZIPPER employee. It was further indicated that one Vasile MAILAT was a co-worker of AUNER. [32-6-1-2781 (MGLA-3659)].

8. One Ioan BALCU was included in a list of Rumanian emigres suspected of Communist affiliations or sympathies. Information on BALCU, dated 10 January 1951, was given to source FAIRFAX by the CAROMAN agency in Paris. Additional information on BALCU, supplied by CAROMAN, indicated that one Mr. SASSU, who was formerly employed at the Rumanian Legation in Prague, confirmed that BALCU, while in Bucharest, had the attitude of an active Communist, that he was aggressive and openly menaced Minister FILOTTI. In a personal file on BALCU, which is kept in the CAROMAN office, it was indicated that BALCU had given as a reference one MAILAT, fnu, in Salzburg. 9. Chief, FDM, received from Chief of Station, Karlsruhe a report on the debriefing of [] dated 29 August 1950. The following excerpt concerning MAILAT was taken from the report:

"... [] stated with surprise that Emil CHILEZAN is in constant correspondence with Vasile MAILAT. MAILAT, a Legionary Commandant and a former very Orthodox Legionary, plays now the part of a bourgeois Legionary. He seems to have forgotten completely the basic Legionary rules of austerity and plays this part very well. Both he and his wife are good bourgeois. [] does not know if the part which MAILAT plays as a bourgeois is genuine or has been suggested to him by the Legion. The fact is that he has not broken off from the Legion and still considers himself a Legionary.

MAILAT and his wife live at 5 Moosstrasse, in Salzburg.

[] thinks that he works for AUNER...."

[6-8-5-13 (MGMA-3812)].

10. Information on one Petre BOGDAN aka Titi CONSTANTINESCU dated 14 March 1951, was received from the U.S. Army Attache, Ankara, Turkey. The information was given to the Army Attache by one Dr. Aurel DECEI who had received it from one Victor LEU, the Archimandrite of Free Rumania. According to Chief of Station, Karlsruhe, LEU was considered a questionable character, and was, probably beyond question, a British agent. The following was extracted from the report:

"...Constantinescu-Bogdan is presently working for the 'American Intelligence Service in Austria', in the Auner Group. (Auner is a Saxon from Brasov, Rumania.) Auner formerly worked for the Hitlerite services and during the war, he left Rumania. Most of Auner's assistants - among which are Mailat, Dimitriu, Baciu and others - are former Iron Guard members...."

The following information concerning one Vasile MAILAT was extracted from the report:

"...He (CONSTANTINESCU) sought to reestablish contact with and regain the confidence of the SIMA group in order to be able to recruit couriers for Rumania from among members of that group. That group's confidence in Titi CONSTANTINESCU had been shaken because of the misunderstandings which had developed in Salzburg between CONSTANTINESCU on the one hand and Mircea DUMITRIU and Vasile MAILAT on the other hand. DUMITRIU and MAILAT had been appointed by Horia SIMA to lead the Legionary group which had infiltrated the American IS in Austria, i.e. Linz and Salzburg. CONSTANTINESCU had sought to obtain that appointment for himself from Horia SIMA. That caused a conflict between Titi CONSTANTINESCU on one side and DUMITRIU and MAILAT on the other as a result of which Titi CONSTANTINESCU withdrew from the SIMA group in Salzburg so far as his activity went, for a certain period. During that interval DUMITRIU and MAILAT exerted pressure on CONSTANTINESCU for rejoining the SIMA Legionary group in his activity in order to end the evident competition between them and to avoid weakening their standing and their relations with the American services in Salzburg.
